Let your hair down, Caroline, they said. It'll be fun, they said.

I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten.

Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.
