Do you find yourself on the defensive when a Mormon team knocks at your door?

You probably wonder: Should I let them in? How can I tell them to go away without being unkind? Shall I try to witness to them? What should I say?

This book tells you exactly what to expect, what to reply and how to be a witness to your faith.

The first section explains an effective witnessing method and shows how the materials in the book are to be used.

The second section clearly presents eight selected false prophecies of Joseph Smith, the founder of Mormonism, from documented sources. These will help you to center the discussion on the real issue, religious authority, and will become the basis for refuting the whole Mormon system and presenting the truth of the Bible.

A helpful tool for evangelizing Mormons
