I'd Love to Draw

I'd Love to Draw

I'd Love to Draw is a collection of work by the innovative American artist Andrew Loomis, previously unseen by anyone outside the Loomis family and available in print for the first time ever. Having been held in the Loomis family archive for decades after the artist's death, *I'd Love to Draw* has been restored by a group of devoted experts, including the globally renowned comic book artist and Loomis devotee Alex Ross.
