**Hebrew Translation** In weeks you will learn how to translate Hebrew. It will not be a lot, but you will read the first 5 verses of Genesis if you do your work. I'm working on the next book which will take you further. Learning Hebrew doesn't stop with the alef bet. It continues to reading the Torah as if it were English. You won't get that far in this book, but you will be going in the right direction. There is nothing easy about learning Hebrew. But it can be simple if you just give me 20 minutes a day.
