Workbook for Tonal Harmony: With an Introduction to Twentieth-Century Music, Sixth Edition

Stefan Kostka, Dorothy Payne

The Workbook provides assignments for each chapter of Tonal Harmony by Stefan Kostka and Dorothy Payne helping student to master the content of the textbook. Each set of Workbook exercises in the Workbook is closely correlated with the corresponding chapter in the text and with a particular Self-Test within the chapter. Each set of Workbook exercises begins with problems that are similar to those found in the corresponding Self-Test, but the Workbook exercises also include problems that are too open-ended for the Self-Test format as well as more creative types of compositional problems. Assignments are set up so that students can tear out individual assignments and submit them for grading without interfering with other assignments. Selected Workbook exercises are available in Finale templates though the Online Learning Center, and each new copy of the workbook comes with a discount code for purchase of Finale notation software at a special low price. The Workbook includes a CD containing audio recordings of the many assignments.
