Once you get the mindset, then the money can come. See how Farrah Gray used that belief to become a self made millionaire by 14 – Chapter 2. You're P.A.I.D. once you realize that you already know and have what it takes to be successful and get to work doing it. You don't have to wait for an invitation or instructions to build your dreams. See how 25-year-old Jordi Muñoz developed a business now worth over \$5 million in his small apartment while waiting to get his green card – Chapter 5. You have a chance to play a big part in the process of making miracles happen. Imagine a bright, successful future for yourself and your family, and then go get it. See how the dream of 9-year-old Amiya Alexander turned an old school bus into a rolling dance studio – Chapter 6. This book is for those looking to create businesses, build wealth, live their dreams, and leave a legacy. There's a world full of people younger than you proving it's possible right now.
