Rafe Bowman has just arrived from America for his arranged meeting with Natalie, the very proper and beautiful daughter of Lady and Lord Blandford. His chiseled good looks and imposing physique are sure to impress the lady-in-waiting, and if it weren't for his shocking American ways and wild reputation, her hand would already be guaranteed. Before the courtship can begin, Rafe realizes he must learn the rules of London society. But when four former Wallflowers try their hand at matchmaking, no one knows what will happen... Winning a bride turns out to be more complicated than Rafe Bowman anticipated, especially for a man accustomed to getting anything he wants. However, Christmas works in the most unexpected ways, changing a cynic to a romantic...and inspiring passion in the most timid of hearts.
