Yes, you will find a dozen or more books on Amazon not really intended to help you, but to sell you other products.

This is not the case, with this one. I have made this book because I've helped hundreds of people to get over their exes and gain back their control, and you will be able to do it as well!

The very 1st thing you need to understand is that...

Don't fall into the traps that me and many of my patients -as well as most human beings- decide to go into, after being left.

This book is intended to be practical

Yes, your Ex is gone. Someone different will come your way, and you will smile once again!

This is a very short book. The idea being to provide you with quick tips and ideas you can put to work right now.
