Rachel is a beautiful and very intelligent trainee investigative journalist, who has just finished an internship at one of London's most renowned newspapers. When her boss offers her a full time job she is elated. That is, until she gets her first story to investigate. Rachel finds herself in danger right from the start, as she tries to report on a human trafficking story, which has deep and devastating consequences for women brought to England under false pretences. She is frightened, yet determined to find out who is running the trafficking ring. She soon finds out, there are some pretty shady characters involved, in this cesspit underworld. In the course of her reporting she meets Caroline, a police woman who has many years' experience. She and Caroline begin a relationship, or so Rachel thought. When it turns out Caroline had other ideas, Rachel looks at her life and makes some decisions, chiefly concerning Jan, a student house mate of Rachel's. It's fast moving story of love, romance and crime.
