“They want my baby. They’ll kill me to get it.”

When Lindsay Donnelly comes to Aiden desperate to save her unborn baby, he can’t turn her away. He, better than anyone, knows what lengths evil will go to in its quest for power. Together, they’ll face off against the dark magic of her late husband’s family. And when the unthinkable happens, Aiden will delve into magic more powerful than he’s ever used to save an innocent child. A child he’s already come to love. If only his feelings for its beautiful, strong, independent mother were so easy to come to terms with.
