Sometimes sin looks an awful lot like heaven.

*The Vessel Trilogy, Book 2*

One demon prince may be festering in the bowels of the soul eater Cocytus, but Genevieve's troubles are far from over. Prince Bamal, demon lord of New York City, still wants her. But this time, he wants her alive, to control her inherent power as a Vessel of Light.

With Jude Delacroix off searching for the prophecy, Thomas—a guardian angel with sea-green eyes and an aura of winter woods—steps into the gap, offering her the power to protect herself.

Yet she hesitates, for the transfer of that power comes through a kiss. While Gen's love for Jude is true, Thomas stirs a desire where there should be none. Thomas also knows Jude's darkest secret and plans to use it, if necessary, to win Gen for his own.

While her Vessel power grows and more demon spawn creep from every dark corner of the world, one thing is certain—the Great War between the angels and demons is quickly approaching. And Gen is in a race against time to awaken her full power before the storm breaks.

Warning: Contains a demon hunter with dark secrets, a sexy angel with ulterior motives, and demonic creatures running amok.
