## Six Lives in One Ed Krech

In these sometimes amusing, sometimes suspenseful, but always true stories, Ed Krech shares the many adventures he's experienced in his event-filled lifetime.

From a high school romance foiled by a garbage truck to his time at Cornell, where he met and married his wife of sixty-one years, to his numerous adventures as a naval officer, Ed describes in hilarious detail the formative years of a young man who grew up as a self-described "little runt" in a small town in northern New Jersey.

But that's just the beginning. Follow Ed's adventures as he lives for twelve years in five European countries with his wife and three children, learns the secrets of a Japanese bath that's guaranteed to cure jet lag, and experiences a tornado from the cabin of a sailboat.

Ed's engaging stories go on to include the detailed description of a run in the New York City Marathon and even a dive in an early Cousteau diving rig in the Mediterranean Sea.

Closing with stories steeped in a more serious tone, *Six Lives in One* is a generous anthology of one man's journey to live his life—or is it six lives?—to the fullest.
