Directing Tools, and all of the titles in the STAGEiT! series, are a synthesis of field-tested tools, principles, and practices of a New York City based nonprofit organization that partnered with public schools and reached over 40,000 students across a sixteen year period. It is the most comprehensive and developmentally appropriate material on the market for teachers who want to stage the greatest plays in the English language with their students.

If resources for drama instruction are scarce but you have a strong will to do a school play, then STAGEiT! is for you! It is offered as a low-cost solution where collaboration with a teaching artist may be out of the question.

Please note that acting scripts for each of the four plays are available separately with the STAGEiT! Shakespeare *Acting Tools for Students*.
