*A Night on the town is just what I need, especially with my best friend's brother*

*Married life is not turning out the way I planned, I thought being with the man that rocked my world was all I needed in life.*

*It is a pity that he doesn't feel that way about me.*

*He ignores me.*

*I'm fed up of it.*

*He pretends I don't exist.*

*I'm not a puppet on a string for him to pull up and down when he feels like it.*

*My best friend said she was hitting the town. I went along with her, I never knew her brother was coming along. As the night came to a close, I started to worry about the consequences back home for my night on the town.*
