Assault and Flattery: The Truth About the Left and Their War on Women Katie Pavlich

New York Times bestselling author and FOX News contributor Katie Pavlich exposes the truth behind the real war on women—the one being waged by Democrats.

Assault and Flattery goes beyond the Democratic Party's rhetoric and exposes its shocking and sustained assault on American women that has lasted for generations. And in some cases, the word "assault" is quite literal. Katie Pavlich thinks the Democrats have run the conversation for too long—and is out to debunk the sacred cows of the so-called Republican War on Women.

In the vein of fellow female pugilists Ann Coulter and Michele Malkin, *Assault and Flattery* exposes the truth about the Democratic stance toward women on every major current issue and in every liberal stronghold, including: abortion, self-defense, the myth of the women's vote, Hollywood, academia, and more. Using original reporting and interviews, Pavlich deftly exposes the liberal heroes of the women's movement to show us the frauds they really are—including such revered figures as Bill Clinton and Barack Obama, often called the most pro-woman president in history.

Assault and Flattery is a book about women, but it's for fathers, husbands, sons, and boyfriends, too. As Katie Pavlich explains, what the Democratic Party is doing to women, it is doing to us all. By segregating us by gender, they're harming our future.
