ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Intended primarily for the introductory finance course—undergraduate corporate finance or financial management courses—this text also provides an enduring understanding of the basic tools and fundamental principles upon which finance is based.

Get the picture and develop a fundamental understanding of finance.

Readers often miss the big picture, viewing finance as a set of unrelated topics, tools, and techniques. In order to help readers see the big picture, this text provides an introduction to financial decision-making that links the concepts to five key principles of finance.

Authors Arthur J. Keown, John D. Martin, and Sheridan Titman have incorporated significant revisions that weave currency, relevance, and real-world issues into the pages of this well-know finance text.
