Is It Time To Quit Your Job?: Should You Leave, Today, Tomorrow, Next Month Or Never? Margaret Adams

Are you unhappy at work? Do you dream about quitting and walking away from a job you hate? How would you feel if you knew you were never going back to that awful workplace?

Lots of people dream about quitting jobs they have outgrown and workplaces where they do not fit in. Yet they hesitate. Maybe they do not know what they want to do next. Maybe they are unsure of how to quit a job in a professional manner. Maybe they are so stressed and emotionally wound up about their job that they cannot think straight. If you are grappling with these, or similar, issues *Is It Time To Quit Your Job* will help.

In this book, digital career development strategist, Margaret Adams, will take you through a range of issues you must consider, when you are trying to work out if you should quit your job.

What do people at work think of you and what value do they place on your contribution? You need to know, if you hope to receive the sort of reference that will help you if you decide to apply for another job.

What would you like to do next? Do you know?

Do you want to do what you currently do somewhere else? Do you want to become a self-employed contractor? Do you want to take a career break? Do you want to start a business or become the part owner of an existing business? Do you want to retire? This book will help you to decide.

Is It Time To Quit Your Job will help you to plan your exit and create your timetable for action, as well as offering you advice about how to quit your job gracefully and professionally.

Is It Time To Quit Your Job?

You will have a much better idea of the answer after you have read this book. Buy it today.
