**They take turns with the knife, cutting their thumbs open. A drop of blood lands on the dark wooden table. Eyes meet across the room. All four thumbs are pressed against each other one by one. Blood is shared, secrets buried.**

Years later a brutal madman sprays bullets into a crowd at a movie theater in Miami and sends a chill through the entire nation.

When human remains are discovered in the dense forest next to a biking trail in Brevard County, it is only the beginning of a series of gruesome murders, which will shock the entire Space Coast.

Detective Jack Ryder is preoccupied with Shannon King and the strange email she has just received that leaves her terrified just as she prepares to go on stage at the Runaway Country Festival. Jack Ryder senses the connection and soon he realizes he is on the hunt for a serial killer with a killing spree that spans over more than a decade. It's spring-break in Cocoa Beach - and evil is lurking everywhere.
