.....VINTAGE MOVIE AD PAGE "POSTER"..... Full Color, BARBARELLA, 1969 Store Stock #MV-215 I remember going to the movies to see this film; the most outstanding memories of it are a twenty-something Jane Fonda in those fantastic skin-bearing costumes, handling futuristic weapons, and a wildly fanciful story. Barbarella is a 1968 French-Italian science fiction film based on Jean-Claude Forest's French Barbarella comics. The film stars Jane Fonda in the title role and was directed by Roger Vadim, who was Fonda's husband at the time. The film was not popular at its release, but it did not vanish into obscurity. Instead, it received greater attention afterward, and was later regarded as representative of the sexploitation genre. It is regarded by some as a cult classic, and Jane Fonda's appearance in the film has become iconic. About 15 years ago I bought a large collection of full page movie ads from various movie magazines, and some of those are being sold here. I only have one of each title, so act quickly if you wish to add them to your movie memorabilia collection. From Playboy Magazine, 1968, it's full color art portrait of the star is pretty enough to frame. Condition is Fine. Size- 8.5" x 11" Presented in archival clear binder sleeve for ease of viewing and storage. NOTICE to FOREIGN CUSTOMERS: To send this item Flat International Priority you must be prepared to pay an additional \$12 over the standard fee. Thank you.
