Sandi Webster, private investigator, and her partner, Pete, become stranded in an old ghost town inhabited by a mysterious cowboy and haunted by some Old West murders. What better way to spend a well-earned vacation than running down old clues and searching vintage houses that haven't been entered in over a hundred and twenty years? Bubba, Sandi's half wolf/half Golden retriever, keeps the action moving in his own quirky way, along with a big black horse and the mysterious cowboy.
