## **Cosmology Journal (Diary, Notebook)** Peter Pauper Press

The cover design of our magnificent journal is adapted from the celebrated *Catalan Atlas* (1375), attributed to master map-maker Abraham Cresques of Majorca, Spain.

- This cosmological diagram places earth in the center, personified by an astronomer holding an astrolabe.
- Around the earth, the elements, planets, signs of the zodiac, and moon phases are displayed within concentric circles, and the four seasons are portrayed in the corners.
- **Cosmology** is enhanced with subtle iridescent highlights and embossed for a dimensional effect.
- The journal provides 192 lightly-lined opaque pages for personal reflection, sketching, making lists, or jotting down quotations or poems.
- Creamy-smooth acid-free archival paper takes pen and pencil beautifully.
- Gold gilding on side of pages.
- Hardcover journal lies flat for ease of use.
- 7-1/4" wide by 9" high.
- A superb gift.
