Paris Letters Janice MacLeod

#### A New York Times bestseller

#### Finding love and freedom in a pen, a paintbrush...and Paris

#### How much money does it take to quit your job?

Exhausted and on the verge of burnout, Janice poses this questions to herself as she doodles on a notepad at her desk. Surprisingly, the answer isn't as daunting as she expected. With a little math and a lot of determination, Janice cuts back, saves up, and buys herself two years of freedom in Europe.

A few days into her stop in Paris, Janice meets Christophe, the cute butcher down the street-who doesn't speak English. Through a combination of sign language and franglais, they embark on a whirlwind Paris romance. She soon realizes that she can never return to the world of twelve-hour workdays and greasy corporate lingo. But her dwindling savings force her to find a way to fund her dreams again. So Janice turns to her three loves-words, art, and Christophe-to figure out a way to make her happily-ever-after in Paris last forever.
