Runaways Jim Piper

The majority of churches in America today have become self-absorbed, focused on the pursuit of money versus meeting the actual compassionate needs of people who walk through the front doors. The "prosperity gospel" is rampant and the correct teachings of the Bible are often traded for a feel good message that leaves many people spiritually thirsty. It's no wonder then that many have given up on their quest to discover the scriptures for what they truly are, and it's no wonder then that many people label "Christians" as being hypocritical, judgmental and ignorant of the world in which they live. Make no mistake about it, what our Christian churches need right now is a "spiritual transformation," and the purpose of this book is to show how that can be accomplished. It is meant to challenge you the reader to positive action within your community in an effort to get our churches back on the right track. A large portion of the proceeds of each book sold will go to benefit local nonprofit agencies in the author's hometown.
