The Fall and Rise of Kade Hart (A **STAND ALONE** Hart Brothers Novel) *Contains strong language and sex so is not suitable for younger readers. If you think this is just another Romantic Suspense—think again. Get ready for your paradigm to shift and be prepared to step into another world. "Hello, my name is Kade Hart and I'm a drug addict." Isn't that what recovering addicts are supposed to say? Hell if I know. I'm not sure about anything anymore. Not since I met *her*. Juliette. She's my game-changer. I've lived on the streets, been in places no one ever wants to see, survived pure hell with the bastard who raised me. I thought I'd finally managed to put all that behind me, come to terms with who and what I am. Until she walked into my life. She's running from the people who slaughtered her family, people who want her dead, too, and she makes me want to be the kind of man who can protect her, who can save her. But I'm not sure I'm that guy. I'm no one's hero. **Or am I?**
