**His Excellency: George Washington** Joseph J. Ellis

## National Bestseller

To this landmark biography of our first president, Joseph J. Ellis brings the exacting scholarship, shrewd analysis, and lyric prose that have made him one of the premier historians of the Revolutionary era. Training his lens on a figure who sometimes seems as remote as his effigy on Mount Rushmore, Ellis assesses George Washington as a military and political leader and a man whose “statue-like solidity” concealed volcanic energies and emotions.

Here is the impetuous young officer whose miraculous survival in combat half-convinced him that he could not be killed. Here is the free-spending landowner whose debts to English merchants instilled him with a prickly resentment of imperial power. We see the general who lost more battles than he won and the reluctant president who tried to float above the partisan feuding of his cabinet. **His Excellency** is a magnificent work, indispensable to an understanding not only of its subject but also of the nation he brought into being.

Techniques you still want to miss the idea? Find this book and also read it from now!

#### Janice Leon:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this His Excellency: George Washington can make you truly feel more interested to read.
