Legends Of The Crypt (The Molly Maddison Series Book 2) Kate Young

I've never been your average girl, seeing the dead has always been a way of life for me. I'd made peace with it, for the most part anyway and tried to lead a normal life as possible. I went away to school, with intentions to make a difference in the world. All that changed one day when my dad died and I got dragged into a world of deadly creatures and ancient legends....

Molly Maddison soon finds out that nothing and no one is what they seem and it is serious grow up time. In her fight to stay alive and make things right, Molly must find the spear of legends—a weapon spelled into hiding centuries ago by a Crypt Keeper, the only weapon that will send the inhabitants of hell to a final death. Molly is torn between two deadly immortals: Levi, an entity as irresistible as he is dangerous, and Damon Night, her Guardian and sworn protector.

For centuries the Crypt Keepers of the living dimension have kept the gates of hell sealed. Now that the creatures are leaking through the cracks, Molly is the only one that stands a chance of saving the universe from utter destruction.
