Surviving as a prisoner of war takes courage. While no longer in combat, POWs are at the mercy of their captors, who try to control prisoners through intimidation, physical harm, or simply crushing their spirits.

Career Marine Chief Warrant Officer Felix McCool understood the challenges facing POWs better than most. First captured by the Japanese in World War II, McCool was also a POW during the Korean War.

The Chinese captured McCool at Chosin, and took him to a Communist POW camp. His captors attempted to indoctrinate prisoners and turn them against the United States.

McCool's letters home, poems, and speeches describe the pressures applied to prisoners, their hardships, struggles, and how the men managed to remain dedicated and loyal to their country.

Edited by McCool's grand-nephew Scott Marckmann and Marckmann's mother, *Let's Face It* is an inspiring collection of thoughts on war and freedom by a true patriot.
