This series is set in Farberville, Arkansas, and centers around Claire Malloy, who owns a small bookstore across from the campus of Farberville College. Claire is running the town's first mystery convention held at the local college. Still, she hopes she can make some money by selling some books at the convention. But bookselling is going to be last on her list of activities at this convention; seeing to the outrageous demands of the five mystery authors has suddenly taken top priority. When the universally despised mystery editor of Paradigm House, Roxanne Small, puts in a surprise appearance at the convention, things seem as if they couldn't get any worse, but they do. The caricatures of some well-known mystery authors are sure to cause a few smiles as well -- the author with the crime-solving cat is especially funny. This is a great cozy series, but with a nice edge.
