History: The Definitive Visual Guide (From The Dawn of Civilization To The Present Day) Adam Hart-Davis

Homo sapiens have remained the same species, largely unchanged in genetic makeup and anatomy since the Cro-Magnon era. By contrast, the cultural, social, and technological changes since then have been nothing less than extraordinary. Telling our story, from prehistory to the present day, DK's *History* is a thought-provoking journey, revealing the common threads and forces that have shaped human history.

Includes:

- Inventions, discoveries, and ideas that have shaped world history
- A look at human achievement through artifacts, painting, sculpture, and architecture
- An examination of humankind in context as part of the natural world
- Eyewitness accounts and biographies of key figures
- A comprehensive timeline chronicling the key events of the countries of the world
