I Want To Be Free Tonia Harrison

This book tells of one woman's struggle through physical, verbal and sexual abuse by a family member. It tells how she felt all alone in her struggle and how with no support from her family she managed to make it through the abuse and get away from her abuser. Her story tells how she was made to take on responsibilities that were not hers and how it caused resentment. It also tells how she has never been free to live her own life and how she yearns to be free of a totally dependent family member who has caused her a great deal of pain and shows no apparent remorse for her actions. The book points out her personal views of the damage abuse can cause and how she feels she will never be completely free.
