Kori Walsh knows all about the darkness in the world. After watching her mother succumb to illness, Kori sank into a deep depression that she can't seem to snap out of, no matter who tries to help her. As the star pitcher on his college baseball team, Landon Grayson is enjoying life as a big man on campus, and all of the perks that come with it. He has plenty of girls vying for his attention, so why is he so drawn to the moody, sullen girl who claims not to be interested but still keeps showing up to watch practice every day? As he gets to know Kori, Landon is struck by how much they have in common and he sets out to cheer her up. Can Landon show Kori that there is light after darkness, and if he does, will love blossom?
