Tan lejos del mar (Spanish Edition) Robert Brockmann

¿Qué camino conduce a Bolivia hacia el mar? ¿Reclamar Arica y Tacna para Bolivia? ¿Impugnar el Tratado de 1904? ¿Una alianza diplomática con Chile contra Perú, o una alianza diplomática con Perú contra Chile? ¿Un arbitraje internacional? ¿Un puerto sobre el río Paraguay? Todo se intentaría en la década de 1920, con una política exterior dispersa e improvisada.

Este libro nos muestra una Bolivia que juega mal sus cartas diplomáticas para llegar al mar. A cualquier mar. Una Bolivia fugazmente convencida de ser una potencia petrolera mundial, que se endeudó con desmesura y que chocó con sus vecinos, en medio de un mundo optimista y escarmentado por la Gran Guerra, que proclamaba la paz a cualquier precio.

En las páginas de *Tan lejos del mar* desfilan con entretenido flujo los personajes mundiales de la época, con las influencias ciertas que ejercieron sobre la política exterior boliviana: los presidentes estadounidenses Woodrow Wilson y Herbert Hoover, el Secretario de Estado Frank B. Kellogg y el varias veces presidente francés Raymond Poincaré, así como el ministro de Relaciones Exteriores de Francia, Aristide Briand. Personajes que a su vez interactuaron con sus contemporáneos bolivianos: Ismael Montes, que quiso obtener Arica y Tacna; Bautista Saavedra, que se lo impidió y prefirió impugnar el Tratado de 1904; Hernando Siles, que evitó la guerra, y Daniel Salamanca, que la invocó y la propició. No faltan, entre otros, Alcides Arguedas, Franz Tamayo y Ricardo Jaimes Freyre, en roles tan opuestos como sorprendentes.

El autor de *El general y sus presidentes* nos brinda otro relato rigurosamente histórico, pero igualmente fascinante y ameno, sobre un mundo ido, más ingenuo, más optimista y menos complejo; sobre una Bolivia en muchos aspectos difícil de reconocer, pero en otros, dolorosamente similar.
