The United States and Torture: Interrogation, Incarceration, and Abuse

The United States and Torture: Interrogation, Incarceration, and Abuse

Torture has been a topic of national discussion ever since it was revealed that 'enhanced interrogation techniques' had been authorized as part of the war on terror. The United States and Torture provides us with a larger lens through which to view America's policy of torture, one that dissects America's long relationship with interrogation and torture, which roots back to the 1950s and has been applied, mostly in secret, to 'enemies' ever since. The United States and Torture opens with a compelling preface by Sister Dianna Ortiz, who describes the unimaginable treatment she endured in Guatemala in 1987 at the hands of the the Guatemalan government, which was supported by the United States. Following Ortiz's preface, an interdisciplinary panel of experts offers one of the most comprehensive examinations of torture to date, beginning with the Cold War era and ending with today's debate over accountability for torture.

From reader reviews:

Pam Wright:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each reserve has different aim as well as goal; it means that book has different type. Some people experience enjoy to spend their the perfect time to read a book. They are reading whatever they get because their hobby will be reading a book. What about the person who don't like looking at a book? Sometime, individual feel need book after they found difficult problem or maybe exercise. Well, probably you will require this The United States and Torture: Interrogation, Incarceration, and Abuse.

Margaret Watkins:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want feel happy read one along with theme for entertaining for example comic or novel. The The United States and Torture: Interrogation, Incarceration, and Abuse is kind of e-book which is giving the reader unpredictable experience.

Brenda Lee:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The United States and Torture: Interrogation, Incarceration, and Abuse can make you truly feel more interested to read.

Dianna Weaver:

What is your hobby? Have you heard that question when you got learners? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person similar to reading or as studying become their hobby. You need to know that reading is very important along with book as to be the point. Book is important thing to add you knowledge, except your current teacher or lecturer. You find good news or update regarding something by book. Numerous books that can you decide to try be your object. One of them are these claims The United States and Torture: Interrogation, Incarceration, and Abuse.
