Promises bind, but some promises break...

From the author of The Stolen and The Forgotten comes a collection of stories between the stories, a glimpse of the American Faerie Tale series characters in a whole new light.

For more than fifty years, Elaine has lived the life of an outcast elf, stripped of her rank and title in the fae court. Surrounded by her beloved collection of stolen artwork, we may just learn the secret behind her exile, and the one promise too important to break...

It's the day we've all been waiting for - Caitlin and Edward are getting married! But few weddings ever go without a hitch. Old promises were broken, and new vows will be made...

In *The Stolen*, Brendan vowed to help Caitlin rescue her young daughter from the Dusk Court, even if it meant sacrificing himself. Alone and in torment, he has come to accept his fate. Until an unexpected visitor finds her way into his life...

Plus, an exclusive bonus story about the mysterious Legion of Solomon.
