Frames of Reference for Pediatric Occupational Therapy

Paula Kramer

Frames of Reference for Pediatric Occupational Therapy Paula Kramer

A comprehensive paediatric occupational therapy textbook for the entry level student, this text is organized through the structure of frames of reference rather than by diagnostic category. Appropriate for adoption in courses focusing on paediatric practice, development dysfunction and neuro-developmental treatment, the book can also be used in courses on theory and functional disorders of childhood. Practising therapists should also find this an informative reference.
