Why America Needs Guns Sheriff Mack clearly outlines why the unrestricted right of the people as individuals "to keep and bear arms" is essential to the preservation of both individual liberty and domestic tranquility. Mack reminds us of facts that were self-evident to earlier generations of Americans, but which are all but forgotten in today's climate of incessant cries for more gun control. Concise and compelling, this book is an indispensable resource for any lover of freedom. This is one of the most essential books ever written on the Second Amendment.
