Secrets and Soulmates: Molly & Austin (January Cove Book 6) Rachel Hanna
She's engaged to a man she's never met... and may not even exist.

Molly James has lived her life as a fish out of water. Feeling like the oddball of her family, her trusting nature leads her into an online relationship and eventual engagement to someone she hasn't met. When she decides to take the leap of faith and go find the love of her life, things don't turn out quite like she thought they would.

Austin York has had a rough life, no doubt about it. Abandoned as a young teen by his drug addicted mother, he was bounced from foster home to foster home. Now, at 26 years old, he's determined to make a life for himself and prove that he's capable and worthy of good things. But when a petite auburn haired spitfire crosses his path and lands him in the middle of a fake engagement, his world is turned upside down in more ways than one.

If you love the January Cove series, you'll also get to experience Tessa and Aaron's wedding in this book as well as a few cameo appearances from other Parker family members!

Ronald Folk:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
