### Six Pack Secret #1: Crunches Will Not Get You Abs

Are you a master of the sit-up?

If you're spending any longer than 10-15 minutes, three times a week doing your abdominal workout, you are spending too much time on ab exercises.

The fact of the matter is that crunches will not get you six pack abs. They may strengthen your core (which is still good), but they are not going to get you that look that you crave.

Losing that layer of fat – that is what will get you the necessary look you need to see results.

The truth of the matter is that of all the things that you could be doing in the gym to get you to six pack status quickly, crunches are the least effective.

Why waste any more time?
