The Steampunk Tarot

Barbara Moore, Aly Fell

The Steampunk Tarot Barbara Moore, Aly Fell

Where the past and future converge . . .

With a turn of the wheel and a spin of the cog, the oracular machinery lumbers into action. The curtains slowly draw back; the time has come to reveal your destiny.

Created by award-winning tarot expert Barbara Moore and brilliantly brought to life by artist Aly Fell, *The Steampunk Tarot* deck offers a glimpse of the future through a lens to the past. Retooling the gears of the Rider-Waite tradition, each card's intricate artwork depicts a scintillating fusion of man and machine, nature and technology, science and alchemy, romance and fashion. The included manual offers tips, original spreads, and guidance in card interpretation.

Praise:

"An electric marriage of favorite geeky things, this deck is the perfect formula."
