Love is transformation. Ishtar finds a man who turns lead into gold, but he disappears mysteriously. She looks for him violating all rules, until she discovers that she herself is the key. Everything depends on whether and how she carries out a terrible assignment. Love, world peace, and her own conscience are at stake.

How would you act when Love conflicts with Truth? *The Woman Who Sparked the Greatest Love Scandal of All Time* is a dystopian adventure like those of George Orwell, Aldous Huxley, Ray Bradbury, Anthony Burgess, and Philip K Dick. At the same time, it is a captivating and emotionally charged novel, and it offers readers high doses of passion, suspense, and mystery.

This is a new edition of the novel *The Woman Who Sparked the Greatest Sex Scandal of All Time*, slightly abridged by removing the explicit descriptions of sex scenes. As discussed in the blog denouncecensorship.blogspot.com, those descriptions did not deserve any kind of censorship or adult filter, other than a possible recommendation "for ages 16+." Nevertheless, this new edition can be the best choice for those readers who prefer to avoid explicit sex content in fiction, for whatever reason. **The unabridged version has been given "The Kirkus Star," a distinction that is "Awarded to Books of Exceptional Merit," and has been listed among the "Best Indie Books of 2013" by *Kirkus Reviews*.** It is still available from Amazon both in print and on Kindle, amazon.com/dp/B00BTFHMQU/

Excerpts from reviews of the unabridged edition

"Touches of wry humor reinforce an already sturdy novel..." -*Kirkus Reviews*

"The wonderful and powerful imagination of the author brings all the characters and the situations they find themselves in very real and believable..." -*The Scribes Library*

"...it is, in fact, a thoughtful work of philosophy - not vulgarity - that explores and humanises the universality of love, justice, faith and consequentiality." -*Self Publishing Magazine*

"The writing is beautiful, erotic, poetic, intense, imaginative, intelligent - and gripping enough that I could barely put it down... Ultimately, this is one of the most delightful books I've ever read." -*Francis James Franklin (Alina Meridon) Literary Blog*

"I recommend this book for both the content that makes you think and the author's talent with words that make you read a sentence twice just for the beauty of it." -*Readers' Favorite*

"I also would like to mention author's brilliant narrating style. The words used bring the depth, the atmosphere, the juiciness, the feelings, the excitement. It is absolutely beautiful... A huge applause to the first time author, she truly created a masterpiece." -*Ira Therebel on Goodreads*

"Compelling stuff, getting better as the book goes on, and a brilliant way to end the book too."

-YeahYeahNoh, Amazon.uk top 1000 reviewer
