Messiah Stefan Allsebrook

On learning that a new messiah is being cultivated in a test tube on board a hostile alien vessel, the one true saviour of mankind decides to stage his Second Coming. For Jesus there can be no other course of action - he must retrieve his test-tube sibling before a theological crisis of cosmic proportions envelops the world. His beard a-flow, he expects his Second Coming to be marked by cheering crowds and a new global spirit of hope. But with his Jesus-creeper sandals, his flowing robes and his penchant for spontaneous miracles, the reality is so, so different. And Christ's story does not stand alone. Zeus, ancient god of the Greeks, has had his marrows ransacked. Satan, foul deceiver and Prince of Hell, is about to have his demonic existence turned upside-down. John Thomas, a bus driver, keeps getting his milk stolen. A thuggish vandal is at loose on the streets of Tilehurst. And the village constable has stumbled upon a camel-breeding operation of sinister proportions.
