Viva Ona Bartkus

The Dynamic of Secession (Cambridge Studies in International Relations) Viva Ona Bartkus

Secessionist activity has been increasing in the developing world, in Western liberal democracies, and especially in the former Communist states of Eastern Europe. This timely book offers a general explanation for the occurrence of the phenomenon, arising from a comparative study of numerous historical examples of secession and separatist conflict. The book develops a comprehensive framework, specifying the elements necessary for a secession crisis, and discussing the moral issues underpinning it.
