The Fool's Progress: An Honest Novel Edward Abbey

When his third wife abandons him in Tucson, boozing, misanthropic anarchist Henry Holyoak Lightcap shoots his refrigerator and sets off in a battered pick-up truck for his ancestral home in West Virginia. Accompanied only by his dying dog and his memories, the irascible warhorse (a stand-in for the "real" Abbey) begins a bizarre cross-country odyssey--determined to make peace with his past--and to wage one last war against the ravages of "progress."
