The Red Devil: To Hell With Cancer - And Back Katherine Russell Rich

When Katherine Russell Rich was 32, a newly divorced magazine editor living in New York City, her 10-year ordeal with cancer began. Soon she was bald, scrambled, and living in two worlds simultaneously: the world of the ill, of treatments, exhaustion, and doctors focused on avoiding malpractice suits; and the "normal" world, where dating, career, vacations, and 401(k) plans still mattered. Dazzling in its writing, **The Red Devil** is alternately wise and wise-cracking -- it is the story of a woman who has been brought to her knees several times, only to get up and learn to dance.
