**The Secrets to Color Harmony: Achieve Color Harmony in Any Creative Project. For Beginners to Advanced.** Dan Bartges

Many who take up painting and crafts quickly become discouraged because they find it difficult or at best, tricky, to consistently put together colors in pleasing ways. They worry that they lack an eye for color when in fact they simply were never taught how color schemes work. Once they know, they can create color harmony in any project with excellent results. This straightforward guide will show and tell them everything they need to know whether it is for painting, or for crafts, needlework, home decorating, or fashion.
