The State of BEING LOVE: Steps to Raise Your Vibration for a Joy Filled Life LeeZa Donatella

The state I call Being Love has one of the highest vibrations that you can hope to experience in life. It's a vibration much higher than sadness, guilt, despair, anger, hatred, self-doubt, worry, judgement and fear. It begins with small steps to get to moments in your daily life that raise your vibration, as you move toward a heart overflowing with unconditional love. Then the magic begins. You feel better and look younger than you have in years as you experience a world more amazing than you can possibly imagine.

Find out how to remove negativity in your life, how to release ANGER, SADNESS, FEAR AND GUILT and live EACH DAY filled with happiness and joy as I share the challenges I have faced and the steps I use to release and overcome them.

"As the author, I had to do a lot of soul searching as I wrote this book, deciding how many of the stories about my faults and challenges I wanted the world to know. There's a difference between sharing a single story in front of hundreds in the audiences where I appear, but so many intimate details and opportunities for growth with the world was something else. I concluded that I had to share my hurts, my fears and my stupid decisions to help others as I follow my heart and my purpose of making a difference in people's lives.

Sending you all Blessings and Love, LeeZa Donatella"
