Doing God's Business: Meaning and Motivation for the Marketplace R. Paul Stevens

Christians have likely been struggling with the place of business in the life of faith ever since Paul's days as a tentmaker. Just how do the spheres of private devotion and public business intersect in a meaningful way? Paul Stevens has been exploring this question since his earliest working days in his father's steel business. His *Doing God's Business* tells how readers can find lasting and satisfying meaning for marketplace involvement in the light of the Christian faith and tradition. Stevens explores the potential of business as a location for practicing everyday spiritual disciplines and as a source of creativity and deeper relationship with God.
