Surviral Ken Benton

The deadliest flu season in a hundred years is about to turn a whole lot deadlier. When an accident at a famous medical research facility lets a mutated avian flu strain out, a nightmare scenario unfolds. Before authorities can react, millions are infected--and that's just the beginning. The mortality rate exceeds 80%. Leaders and elected officials soon learn the man-manipulated virus respects neither rank nor stature. The resulting chain reaction leads to a collapse of modern society--even in Colorado, where no cases of the killer strain have yet appeared.

Clint Stonebreaker, a happily-married software engineer living in Denver, doesn't like watching the news. He especially doesn't let Jake, his wacky doomsday-prepping brother, watch it when he visits. But when chaos goes viral through the entire country, Clint and his wife Jenny are forced to acknowledge reality. They find themselves hitting the road with their un-enthusiast neighbor to escape the deteriorating city. Their goal? Reaching Clint's hunting cabin in Southeastern Colorado and trying to make a homestead of it.

They don't get far before running into a gauntlet of obstacles. Colorado seems to have become a giant sociological experiment, with dire consequences for making the wrong decisions. The spirit of American resolve is pitted against the ugly reality of criminal opportunism in every direction they turn. Ironically, Clint isn't sure which is worse: being forced to survive in the midst of civil unrest, or knowing he'll have to admit to Jake that he was right. Assuming he can find him...

From reader reviews:

Evelyn Brown:

Book is definitely written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. As we know that book is important thing to bring us around the world. Adjacent to that you can your reading talent was fluently. A guide SurviRal will make you to possibly be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading some sort of book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or acceptable book with you?

Mark Wolf:

People live in this new morning of lifestyle always try and and must have the time or they will get large amount of stress from both way of life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we request again, what kind of activity have you got when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative within spending your spare time, the actual book you have read is usually SurviRal.

David Stokes:

Are you kind of occupied person, only have 10 or maybe 15 minute in your day time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are having problem with the book in comparison with can satisfy your short period of time to read it because this time you only find guide that need more time to be go through. SurviRal can be your answer given it can be read by a person who have those short free time problems.

Joseph Levis:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This SurviRal can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?
