**WHAT JESUS TAUGHT: The 24 New Testament Discourses of Jesus Christ** Duane S. Crowther : Almost all Jesus's teachings during his mortal ministry were given during one of just 24 occasions. This book presents carefully-crafted outlines of those 24 discourses. In each, the Bible verses are grouped consecutively and carefully summarized, topic by topic. What Jesus Taught, a non-denominational book, helps readers easily locate the Lord's memorable teaching events recorded in the four gospels (Matthew, Mark, Luke and John). Using these meaningful outlines, readers can quickly discover the discourses' core meanings, then use the outlines to guide their understandings as they read the full discourses in their Bibles. When the words of a discourse are recorded in more than one gospel account, those teachings are combined into a single outline of the event. The categorized summaries will lead them to discover new meanings, think new thoughts, ponder sacred words to live by, and draw closer to Jesus Christ. Each discourse outline begins with a background paragraph explaining the setting where the discourse was given and the circumstances which led to that teaching event. These concise outlines are especially appropriate for those wishing to review What Jesus Taught on their mobile devices, particularly in short time-span situations. Useful appendices divide the life of Jesus into 11 distinct periods and locales and provide other valuable insights. Duane S. Crowther holds a Master of Arts degree in Old and New Testament. He is the author of more than 50 books, many of which present the scriptures and doctrines in careful, loving detail. He seeks to bring people to Christ through his studies and writings.
