A Christmas Carol (Annotated, Illustrated) Charles Dickens

A Christmas Carol was written and published by Charles Dickens (first version appeared in 1843).

The book has been credited with restoring the holiday to one of merriment and festivity in Britain and America after a period of sobriety and sombreness.

This edition adapted from the version published in 1915 with illustrations by the famous artist Arthur Rackham (1867-1939).

Cultural, historical and artistic elements are added in this special edition through annotation at the beginning of the book, and illustrations at the end of the book. The book shall provide readers (adult and youth) a new experience of the Christmas tradition.
